Length m Height to eaves m

Width m Height to highest point m

Distance to boundary m

What to send with this form

- The fee of £129 We will refund your fee if your proposal is eligible for the larger home extension procedure.
- A **location plan**. Your plan must:
 - be drawn to a **scale** of 1:1250 or 1:2500;
 - have the application site **outlined in red**;
 - indicate the direction of **north**; and
 - show enough **nearby roads** and **buildings** that we can easily find the application site.

Several companies can provide a suitable plan; please visit www.planningportal.co.uk/buyaplan. You could also call the local Ordnance Survey Partner, on 01902 422700.

- **Drawings** and **documents** describing your proposal in as much detail as possible. For any new building or extension, you must tell us its:
 - **length**;
 - **width**;
 - **height** to both **eaves** and **highest point**; and
 - the **distance** to the nearest **boundary**.

If necessary, I/we apply for a lawful development certificate (LDC) as described on this form and in the accompanying documents. I understand that South Staffordshire District Council will process my personal data for the purposes of considering my enquiry, consulting other officers and conducting a pre-application meeting, where appropriate. I understand that the documents I submit may be publicly available online and elsewhere, and that the Council will retain my personal data indefinitely. I consent to this processing of my data, by signing below and/or by submitting this form electronically.
