If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

- A disproportionately low level of growth being directed to the edge of Wolverhampton, in recognition of the SSLPR's contribution to assisting to meet the unmet needs of the GBBCHMA;
- A lack of diversity in the scale of allocations being directed to the edge of Wolverhampton and the impact on short-term delivery; and
- Ambitious assumptions for delivery of the strategic sites on the edge of Wolverhampton.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

- The importance of delivery of housing adjacent to Wolverhampton should be recognised, and further growth be allocated on the edge of Wolverhampton as a consequence. This should include smaller sites which are deliverable in the early part of the SSLPR Plan period, including Land off Bridgnorth Road, Wightwick.

**Please note:** In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

**After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.**

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

**No**, I do not wish to participate in hearing session(s)

**Yes**, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

In order for the Inspector(s) to be able to appropriately consider the evidence presented by all parties before taking a view.

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
