(1) Legally compliant	Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>
(2) Sound	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
(3) Complies with the Duty to co-operate	Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

- Draft Policy SA5 omits Land off Bridgnorth Road, Wightwick as an allocation. There are no technical or environmental reasons why Land off Bridgnorth Road cannot be allocated, with the only concerns raised in the assessment of the site in the Housing Site Selection Paper either considered to be unfounded or able to be dealt with through detailed design and masterplanning. Land off Bridgnorth Road is developable and easily deliverable within the early part of the SSLPR Plan period.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

- Land off Bridgnorth Road should be allocated, for a minimum housing figure of 125 dwellings.

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

In order for the Inspector(s) to be able to appropriately consider the evidence presented by all parties before taking a view.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

Representations cannot be kept confidential and will be available for public scrutiny, including your name and/or organisation (if applicable). However, your contact details will not be published.
