Document Element: Policy HC4: Homes for older people and others with special housing requirements

Respondent: Grade Planning

Date received: 09/05/2024 via Web

Summary:

As currently worded the policy wording implies that all four housing types should be provided within major development, which is not the case.

Full text:

As currently worded the policy wording implies that all four housing types should be provided within major development, which is not the case.

Change suggested by respondent:

The policy should make clear that only one or more of these housing types would be expected to be provided.

Legally compliant: Yes

Sound: Yes

Comply with duty: Yes
