Part B – Please use a separate sheet for each representation

Name or Organisation:

3. To which part of the Local Plan does this representation relate?

Paragraph Policy Policies Map

4. Do you consider the Local Plan is :

(1) Legally compliant	Yes	<input type="text" value="x"/>	No	<input type="text"/>
(2) Sound	Yes	<input type="text"/>	No	<input type="text" value="x"/>
(3) Complies with the Duty to co-operate	Yes	<input type="text" value="x"/>	No	<input type="text"/>

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Please see accompanying report.

The Green Belt Boundaries are not justified (NPPF35b) as they fail to take into account the urbanising influence of West Midlands Interchange.

There is no choice or flexibility in the Employment Land supply, as only sites E18 and E30 are available for small to mid-box B8 development, and ROF Featherstone has delivery issues. This is not consistent with several points of national policy (NPPF35d)

Sites have not been selected based on appropriate evidence. The evidence base consistently scored Site E30 much lower than Sites E51a and E51b. Allocating site E30 is both illogical and counter to the evidence supporting those allocations.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please see accompanying report.

Bericote seek the following amendments to the Plan to make it sound:

1. Amend the Green Belt boundary to remove the Gravelly Way site (E51a) from the Green Belt
2. Allocate the Gravelly Way site (E51a) as employment land
3. Remove the Vicarage Road site (E51b) from the Green Belt

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

To ensure that the evidence is properly scrutinised

***Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.*

Representations cannot be kept confidential and will be available for public scrutiny, including your name and/or organisation (if applicable). However, your contact details will not be published.
