Dear Sirs, I wish to strongly object to the proposed development of 81 houses in SSDC next to Wildwood , Stafford.

This proposed development, although in SSD will impact directly on Stafford itself. The schools, doctors, hospital, and roads are already inadequate for the borough as Stafford has seen a huge surge of new housing in every area.

People need green spaces for health and well being. The land is productive farm land , professionally and expertly managed all year.

To grant permission for this development would give the go ahead for even more expansion of the surrounding green space.

I hope you will give this objection serious consideration.

Yours Sincerely Judith Babbs
