Dear Sirs

Local Plan Review – Site 519

I wish to record my objection to the **Local Plan Site 519** which proposes 848 new dwellings in Bilbrook. This number of new houses is far more than required and will result in the loss of green belt in the village.

I understand from my local Parish Council that the Local Plan as it stands **violates paragraphs 137-151 of the National Planning Policy Framework**. I would therefore ask you to reconsider the current proposals before the Local Plan is submitted to Government.

Yours sincerely

[REDACTED]

ROY DRAISEY
Bilbrook Resident
