Dear Sirs

We would like to object to the proposed plan to develop the open countryside south of Stafford at Acton hill. This plan has already been rejected in 2017/8 and also the subsequent appeal.

1. No one is in favour of this development, councillors and residents alike
2. This area is very close to Cannock chase, AONB
3. All the schools on south side of Stafford are full.
4. Roads already congested
5. Doctors surgeries overstretched
6. Wildlife abundant in the area
7. Prime farming land, producing a variety of crops and feeding a herd of cattle.
8. Stafford has met its required quota of housing.
9. A demarcation between developments and villages was agreed by all to be very important. (at the last consultation with planners)

I hope these concerns will be noted

Yours sincerely

Sheila and Peter Griffiths
