To whom it may concern

I moved to Bilbrook last year and I enjoy the semi-rural nature of the area. It is not a good idea to build dwellings on greenbelt land and also a violation of Paragraphs 137-151 of the National Planning Policy Framework. Another reason that I moved to the area was for the high quality of the local primary schools. I am concerned that new dwellings in Bilbrook will damage the local countryside and will affect the quality of education for young people. It will also have a detrimental affect on the amount of traffic in the area. The infrastructure can not accommodate a further 848 dwellings.

Please note my concerns.

Yours sincerely

Miss Anita Hanson.
