Good morning,

I would like to add my objection to the proposed development site in the Publication Plan - A34 by Wildwood, Stafford.

There is limited infrastructure in the area, and there has already been a large increase in houses being built in Stafford over the last 5 years, with a continued increase with 10,000 + in the next 20 years. This rate is not sustainable with the area's infrastructure, as well as the negative environmental impact this is having, and this includes your plans to review housing options near the Wildwood estate.

Please could you confirm receipt of this email. Thank you for your time.

Kind regards,

Becky Harper & Alister Barnes
