To whom it may concern at Local Plans at South Staffordshire Planning authority

I have studied the very comprehensive response put together on behalf of the Local Action Group in South Stafford and it very comprehensively and astutely sums up the many reasons for the unanimous opposition to the inclusion of the proposed Acton Hill site within the South Staffordshire Local Plan. I should just like to do two things – to register my total opposition to the inclusion of this site and to say how odd it is that it has been put forward again having been so positively rejected twice before!

I trust that this will be very fully investigated by the Inspectorate - and rejected!!

P.S. It shows how little you know to say that the site is at Weeping Cross. It can only correctly be described as being on Acton Hill alongside Cannock Road in Stafford

Yours,

Lisa Henderson
