Document Element: Will the new Local Plan affect me?, 1.10

Respondent: Mr Tom Higgins

Date received: 25/11/2022 via Web

Summary:

Land at Billy Buns Lane IS Green Belt & forms a rural gateway into the village. The fields & hedgerows form a soft pleasant view on the approach to the church from A449. Loss of this will have an adverse detrimental effect on the character of this historic view. Development of other sites in Wombourne would not cause so much heartache.

Change suggested by respondent:

Remove the Billy Buns Lane sites & utilise other alternatives as suggested by Wombourne Parish Council acting on behalf of residents.

Legally compliant: Yes

Sound: Yes

Comply with duty: Yes

Appear exam: Appearance at the examination

Oral exam why: I can explain to the Inspector in my own words what effect development at Billys Buns Lane would have on me. My comments would not be 'doctored' to suit 'planning jargon'
