**Document Element:** Housing growth in Locality 5, 5.46

**Respondent:** Natalie Leach

**Date received:** 13/12/2022 via Web

**Summary:**

To build this vast number of houses on existing green belt is preposterous. Building on land off Billy Buns Lane ties Wombourne onto the ribbon development on the A449 essentially lengthening the Wolverhampton boundary. You will destroy the character of Wombourne to benefit other counties that are not willing to adopt these mass building plans. Wombourne has already taken its fair share of housing developments without any improvement of infrastructure. Please leave our boundaries as they are. Green belt is an easy target and it has to stop

**Change suggested by respondent:**

No building on green belt

**Legally compliant:** No

**Sound:** No

**Comply with duty:** Yes

**Appear exam:** Written Representation

**Attachments:** None
