Dear Sirs,

- [Local Plan Review - Publication Plan](#)
Ends on 23 December 2022 (1 day remaining)

I refer to above plan.

I find it very difficult to raise my concerns using the website so I must make my views known via email before the deadline on the 23rd.

I totally object to the Local Plan Review - Publication Plan.

In particular Wombourne will be absolutely devastated if any of the developments go ahead.

The green belt surrounding Wombourne is already thin, but absolutely essential to the unique character of Wombourne.

In particular the Billy Buns and Gilbert Lane developmemts should not go ahead.

The fields and farmland that make up these plots are a stunning backdrop to our beautiful village and part of the dna of the landscape.

Snuffing this green belt will have a very negative effect on residents of Wombourne.

The plan makes no mention of the negative mental health effects building on this green belt will have. Depression and anxiety will increase, the planners need to understand that the green belt surrounding Wombourne is as important as our ancient church, you can't simply just bulldozer it away. It will rip the heart and soul out of the village and destroy it's character.

I believe also the plan is totally unsound. Wombourne residents have not been properly consulted. It is all word of mouth and I believe this is on purpose. I have spoke to not 1 person in Wombourne who agrees this plan is a good idea.

Please reconsider the plan, it is simply not sound.

Kind Regards,

Jamie Richardson
