Document Element: Green Belt, 5.3

Respondent: J Richardson

Date received: 23/12/2022 via Web

Summary:

The Copart site is the ideal site for development. This are needs to be reconsidered. Further dialog between the owners and the planners needs to take place to reach an agreement to release this site.

Change suggested by respondent:

The dialog between the owners of Copart and the planners needs to be made public. Copart need more time to reloacte. If Copart can't relocate, they need to provide a sustainable business forecast for the next ten years? What would happen if Copart closed next year? What would become of the site then?

Legally compliant: No

Sound: No
