Document Element: Policy SA5: Housing Allocations

Respondent: Mr John Sutton

Date received: 03/12/2022 via Web

Summary:

The proposal to build 81 houses south of Stafford (Weeping Cross) should be removed from the Plan. It is contrary to the Open Countryside Policy, uses productive agricultural land, will generate higher traffic flows on the narrow and dangerous Acton Hill Road which will inevitably be used for access to the M6 at Junction 13, generate further traffic flows through Acton Trussell to the detriment of local residents and set a precedent for further similar development to the west and south compounding the issues already set out.

Change suggested by respondent:

Delete the proposal for 81 houses south of Stafford (Weeping Cross).
