CAUTION-THIS EMAIL WAS SENT FROM OUTSIDE THE COUNCIL. DONT OPEN LINKS OR ATTACHMENTS UNLESS YOURE SURE YOU CAN TRUST THIS SENDER!

Please note my objection to the proposed 848 dwellings at site 519.

This village is being decimated by the constant expansion of dwellings, especially those that destroy our greenbelt and violate planning policy.

The infrastructure of Bilbrook and Codsall cannot support home development of this magnitude as the roads, health services, parking, schools and other civil amenities are already suffering due to high volumes of residents use.

If i had wanted to live in an urban setting i would have chosen an outskirt of Wolverhampton, however i value a more rural setting for my family and residence and so I chose to live in Bilbrook, however, this is now fast becoming an urbanised area and an adjunct to Wolverhampton's urban sprawl.

This should not be allowed to happen!

Regards
Neil Turner
