Document Element: Policy SA3: Housing Allocations

Respondent: Mr Timothy Barlow

Date received: 23/05/2024 via Web

Summary:

Policy SA3 site ref 005 Land of Cherrybrook Drive. I believe this plan to be unsound for the following reasons.

1. SSDC has a duty of care to new residents of the 88 new dwellings proposed in respect of Air and sound pollution, due to the increase of millions of cars per year and the proximity of expanded M6 4 lane motorway. It is believed existing air monitoring station nearby is now not used.
2. I am also concerned about the safety of existing residents due to the limited access from the junction of Cherrybrook drive and the Cannock road.
