Hello

Planning application 'weeping Cross site. Ref.036c

I totally object to this planning application. There is no infrastructure to support the population at the South end of Stafford as it is. Insufficient doctors, schools, shops and more importantly no social and recreational land apart from that available on wildwood Park.

South staffs have access to land nearer the conurbations for developments to be considered.

My suggestion is if people want to live in South staffs they will not wish to be on the border of Stafford.

Yours sincerely

Stephen Butt
