Document Element: What is the Local Plan?, 1.1

Respondent: Mr & Mrs P & R Cashmore

Date received: 27/05/2024 via Web

Summary:

I feel that we have been unfairly able to comment on the land at Dunston M6 J13 the Local Plan being earmarked as potential employment land. On the Preferred Options Plan Nov 2021 and Publication Plan (i) (superseded) Nov 22, this land was not marked on the plans. The plan in 2021 was the actual public consultation, however as the land specified was not identified on this plan we did not have a need to comment. At this stage, we are now able to only comment on the SSC local plan as a whole.

I feel that we have been unfairly able to comment on the land at Dunston M6 J13 the Local Plan being earmarked as potential employment land. On the Preferred Options Plan Nov 2021 and Publication Plan (i) (superseded) Nov 22, this land was not marked on the plans. The plan in 2021 was the actual public consultation, however as the land specified was not identified on this plan we did not have a need to comment. At this stage, we are now able to only comment on the SSC local plan as a whole.

Change suggested by respondent:

The land at Dunston M6 J13 should be omitted from the plan. This has been added on Publication Plan ii, without public consultation for the specified site.
