Document Element: Employment, 6.46

Respondent: Mr & Mrs P & R Cashmore

Date received: 27/05/2024 via Web

Summary:

Although the area is non green belt, it is BMV agricultural land and is not needed to increase the district's supply of employment. In the Farm to Fork Summit 2024 at Downing Street the Prime Minister unveiled measures to support farmers and grow the UK's farming & food sector.

The NPPF (180) (b) states we need to recognise the intrinsic character & beauty of the countryside & the wider benefits. (d) minimise impacts on biodiversity – our site homes newts, birds, bats, hedgehogs, insects & other animals.

Nearby Cannock Chase is an AONB, said site would be visible.
