The development will not enrich biodiversity and wildlife habits. We have seen deer on the edge of the site, we know there are foxes nearby & the existing field will obviously have small mammals such as mice. We have hedgehogs on Wildwood estate & these could presumably use the field as well.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above.

Do not build on this field
