Table with 3 rows (Legally compliant, Sound, Duty to co-operate) and 2 columns (Yes, No) with checkboxes.

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Handwritten comments: 1) This development will not assist in delivering diverse + sustainable farming enterprises. It will destroy a field (3A classified) that has been farmed for food & cattle grazing for many, many years. It could result in an employment for the farmer. 2) Travel requirements are not sustainable. Stafford has considerable traffic problems already down the A34 Cannock road into town which the proposed Alston site development will make even worse.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
