Good evening,

I hope you are well.

I am aware that a review for house building has been considered for the green belt protected area in Wordsley, but currently not acted on. I wanted to make contact to show support for this decision.

My partner and me have just moved to the area where the protected land was a big enticement in moving, with our hope to have a dog of our own in the near future.

The access to so much wildlife locally is very much appreciated, and I believe as a result, the community is very welcoming and friendly.

All the best,

Ryan Edwards
