5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

I consider that, in respect of site 036c in the South Staffs Publication Plan, the Plan is unsound and may not be legally compliant. It has evidently not been the subject of effective 'duty to co-operate' liaison with Stafford Borough Council (SBC).
I ask for site 036c to be deleted, in its entirety, from the Plan.

Quote: *Existing open space should not be built on unless the conditions set out in paragraph 103 of the NPPF (or subsequent revisions) are met.*
Not met:
Quoted from NPPF 103.

Existing open space, including playing fields, should not be built on unless:

(a) *an assessment has been undertaken which has clearly shown the open space, buildings or land to be surplus to requirements;*

This land is not surplus to requirements, it is constantly in use.

Quote: the loss resulting from the proposed development would be replaced by equivalent or better provision in terms of quantity and quality in a suitable location

As far as I know they are not building any more land in this area.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
