**Document Element:** Housing growth in Locality 2, 5.31

**Respondent:** Mr R Hancher

**Date received:** 29/05/2024 via Web

**Summary:**

Development in the village of Brewood should be conditional on the delivery of public transport improvements. At present the bus services is inadequate and does not meet the needs of residents. Rail connectivity at commuter stations at Codsall / Bilbrook and Penkrige is being reduced. Without improved public transport connectivity road usage will continue to increase and will become dangerous.
