**Document Element:** Appendix C

**Respondent:** Mr R Hancher

**Date received:** 29/05/2024 via Web

**Summary:**

It is unclear why site 617 in Brewood has been selected as the sole site to deliver the necessary new houses. An alternative site has been proposed by a landowner at Kiddemore Green Road which i) has better connectivity to public transport via an adjacent bus stop, ii) has better walking links to the village core, and iii) is at lower risk of flooding

An alternative site has been proposed by a landowner at Kiddemore Green Road which i) has better connectivity to public transport via an adjacent bus stop, ii) has better walking links to the village core, and iii) is at lower risk of flooding

**Change suggested by respondent:**

Where alternative sites have been proposed in Brewood, these should be considered if they can achieve the requirements of the proposed site 617.
