Document Element: Policy SA5 - Employment Allocations

Respondent: Mrs Rachel Harvey-Stephens

Date received: 29/05/2024 via Web

Summary:

Map E30 was not included on the Policy Proposal Maps published alongside the Publication Plan consultation 2022 but does appear on the Publication Plan 2024 Policies Maps in the Local plan review. This add-on has denied residents the chance to oppose the inclusion at the earlier consultation stages.

see - Employment Sites: Site Assessment Topic Paper September 2021 and Economic Strategy & Employment Site Assessment Topic Paper November 2022

This contravenes 'Preparation of the Local Plan 21. Regulation 18 of the Town and Country Planning (Local Planning) (England) Regulations 2012

This site should be rejected as consultation process not followed

Change suggested by respondent:

Map E30 should be removed from the Local Plan because the consultation process has not been followed correctly and the residents of Dunston have been denied the chance to object to the inclusion of this site in the usual consultation process.
