Respondent: Mrs Rachel Harvey-Stephens

Date received: 29/05/2024 via Web

Summary:

A Green Future: Our 25 Year Plan to Improve the Environment (government plan 2018)

'Chapter 3: Connecting people with the environment to improve health and wellbeing'

Removing or re-routing bridleways and public rights-of-ways through an industrial estate would diminish the health and wellbeing of residents and users of these pathways.

'Encouraging children to be close to nature, in and out of school'

St Leonards First School Dunston will be directly affected if the land is approved for employment land, reducing their opportunities to use the countryside adjacent to their school, increasing pollution, destroying nature, reducing choices, contravening the government plan
