**Document Element:** Policy MA1 – Masterplanning Strategic Sites

**Respondent:** Mr K Lloyd

**Date received:** 24/04/2024 via Web

**Summary:**

How will engagement with the local community be done? I am part of the Bilbrook neighbourhood plan and want to know how community engagement is going to happen. Will the Friends of Bilbrook also be consulted? Who is going to do this the Council - who may take our comments on board, or the developer who probably won't?

Bilbrook's community facilities are overwhelmed already, we have 2 halls for community events and these are already fully booked. Will we see funding to increase this provision, an extension to the village hall would be the bare minimum required.
