**Document Element:** Policy NB1: Protecting, enhancing and expanding natural assets

**Respondent:** Mr John Marsh

**Date received:** 29/05/2024 via Web

**Summary:**

Poolhouse fields are green spaces. They are green belt stolen by South Staffs council by performing a deliberately low-ley consultation in 2018. The plans are literally to bulldoze and tarmac these fields, cut down all the trees and destroy the natural drainage that the fields provide. How this policy can be on the website on the same section as these plans is absolutely beyond belief.
