Document Element: Cross boundary Issues and the Duty to Cooperate, 3.6

Respondent: Mrs Tanyha Marsh

Date received: 30/05/2024 via Web

Summary:

There is a clear need to support neighbouring authorities, however the way in which this is conducted is not clear. Do the authorities identify what they have done themselves to find locations for housing? Do they publish there findings in detail? What sights they identifies as not suitable and for what reasons? Is South Staffordshire able to do their own research into areas that those authorities may have missed and propose further sites that should be considered?
