4. Do you consider the Local Plan is :

(1) Legally compliant	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The Cannock Chase AONB is recognised as a highly sensitive area where visitor management is critical to maintaining its characteristics. With already planned increasing housing development in the wider vicinity and the growing human population, recreational use is predicted to increase.

It is further acknowledged by the bodies responsible that there is a need to meet recreation demand while, in the long term, ensuring that the issues associated with high levels of recreation do not cause damage or lessen the experience for others.

To identify a new housing site so close to the AONB is at odds with the need for its conservation, particularly where there is no overriding need for the site proposal.

HC17 advises that the NPPF requires that existing open spaces should be protected.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I see no justification for site 036c and therefore request that it be withdrawn from the finally adopted Plan.

(Continue on a separate sheet /expand box if necessary)

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:
