Document Element: Green Belt, 5.1

Respondent: Jan Oakes

Date received: 30/05/2024 via Web

Summary:

Protecting the Green Belt is vitally important, not only to maintain the rural character of the area but to support and nurture the the environment and wildlife for future generations. So much has already been lost to WMi and housing development and we are now seeing the consequences from continued flooding and loss of wildlife in the area.
