Document Element: Policy SA3: Housing Allocations

Respondent: Ms Anne Richards

Summary:

I am a resident of Brewood. I recognise that there is a need to keep a thriving community into the future, and the need for affordable housing in South Staffordshire. I therefore support the 63 households proposed on Four Ashes Road, although the land being green belt is undesirable. The increased traffic won't result in heavy vehicles having travel into the village centre. The access to the A5 and A49 avoid the village centre. The existing congestion in the4 centre results in heavy duty vehicles and cars mounting the pavements and putting children and adults at risk of serious injury.
