Document Element: Policy HC3: Affordable Housing

Respondent: Ms Denise Robins

Date received: 29/05/2024 via Web

Summary:

■ This amounts to 70% of new development being 'unaffordable'. This does not address need.

Full text:

■ This amounts to 70% of new development being 'unaffordable'. This does not address need.

Change suggested by respondent:

■ 50% social housing, 25% part buy, 25% 'affordable' would address housing need on a local level with fewer new builds.
■ There are adequate houses for sale for those who can afford without more being built.
