If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The development at Acton Hill is completely unnecessary on Pristine Farm land which it states is AONB. Stafford Borough would be providing most of the infrastructure which correctly object to the access around Acton Trossell leading to the development at Acton Hill is already dangerous with no account taken of this in the plans

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

SSDC are supporting a plan stated as Weeping Cross however the site is Acton Hill I do not feel sufficient correct information has been provided when the location is stated incorrectly and the impact of Acton Trussell and Wildwood has been taken into account. Stafford Borough would be required to provide Education, Policing, etc and they do not support this whole (Continue on a separate sheet / expand box if necessary) is not being listened to.

**Please note:** In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

**After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.**

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

**No**, I do not wish to participate in hearing session(s)

**Yes**, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

I do not wish to participate as the whole plan is ill thought out and does not need modification it needs to be stopped! The Councillors from SSDC should attend the site and provide how they intend to provide the infrastructure on farmland that is linked directly to SBC and not SSDC.

## South Staffordshire Council
