Thank you for your correspondence

I only sent you emails and letters because I live in [REDACTED]

I was very concerned ( as were many others ) about plans to build numerous houses opposite the farmers fields where I live

I hear that this is not on your agenda now

To say I am over the moon is an understatement

The residents were so concerned about the overcrowding of the area

So many houses have already been built around Wednesfield and more would have been devastating for us

That is the only reason that I communicated with you

Yours faithfully

Mrs Pamela Sayce
