Document Element: Policy SA3: Housing Allocations

Respondent: Mr & Mrs I & J Seward

Date received: 30/05/2024 via Web

Summary:

I feel the Local Plan is unsound regarding land Ref SA-005, safeguarded in 1966. However, 1966 is 58 years ago and Penkrige is now very different.

Penkrige North represents a fundamental planning change warranting a reassessment of SA-005.

Substituting an equivalent land area in North Penkrige would not have the documented issues connected with SA-005 and therefore could accommodate a larger number of houses.

SA-005 could be returned to Green Belt providing a valuable buffer zone to the M6 and maintaining a green space between Penkrige and Penkrige North conurbations.
