Name or Organisation: 3. To which part of the Local Plan does this representation relate? Paragraph 12.13 to 12.15 (Pages139 to 140) 4. Do you consider the Local Plan is: (1) Legally compliant Yes No X (2) Sound Yes No X (3) Complies with the Duty to co-operate Yes No X Please tick as appropriate 5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments. I believe the plan is unsound as the proposed development 036C is within the 15km zone of influence around Cannock Chase. The development therefore contravenes Policy NB3. Paragraph 12.13 of the Plan provides independent evidence that and proposed new housing within the 15km zone "is likely to have a significant effect" in terms of increased visitor numbers to the Chase. Paragraph 12.14 outlines a legal duty for the Council to ensure appropriate mitigation measures for developments within the 15km zone of influence around the Cannock Chase SAC. No such mitigation measures are identified in the Plan and therefore I conclude that this development is neither sound nor legally compliant. I understand that Stafford Borough Council does not support this development and therefore the inclusion of this proposal in the plan fails the Duty to co-operate.
