Summary:

approve with caveats

Full text:

I approve of this local plan in regards to Locality 2 and in particular to Brewood and coven Parish council area.

The reduction in numbers of houses needing to be built on Green belt land is welcome.

Also welcome is the lack of land both under the STELLA process and future land allocated for future development.

The infrastructure of the villages would not cope with a significant increase in housing.

My MAIN concern is the wording of "a minimum of 62 house "for the development on Four Ashes road Brewood.

This open ended number is of significant concern as a carte blanche approach
