If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

In respect of Policy DS3 I think that site 036c inclusion in the LP is not sound. Policy DS3 states in the penultimate paragraph on page 26 that; "*Such proposals will only be permitted where they are not located on the best and most versatile agricultural land*" I have lived in the locality of proposed site 036c for 27 years and I'm familiar with how the land is farmed. The crop is rotated, currently the land is growing barley but in past years has grown wheat, potatoes, oil seed rape and grass pasture for livestock. The land is of good quality and versatile and for this reason inclusion of site 036c in the LP contravenes Policy DS3.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters

you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Remove site 036c (land at Acton Hill south of Stafford) from inclusion in the LP as it will lead to the lose of 'versatile agricultural land' which is contrary to Policy DS3 and makes the LP not sound.

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

Representations cannot be kept confidential and will be available for public scrutiny, including your name and/or organisation (if applicable). However, your contact details will not be published.
