Register of opposition to SSDC 2024 Publication Plan for Housing at Site 036c south of Wildwood on Acton Hill. The key reasons for objections are:
1. LACK OF NEED
2. VISUAL INTRUSION AND IMPACT ON FARMING AND ENVIRONMENT
3. IMPACT ON CANNOCK CHASE AONB
4. IMPACT ON SERVICES IN WEEPING CROSS AND STAFFORD

I support the representations on these grounds and I consider that site 036 in the Plan is unsound and may not be legally compliant. I ask for site 036c to be deleted, in its entirety, from the Plan. See attached summary
