Object

**Document Element:** Rural Economy, 10.12

**Respondent:** Mrs Julia Watt

**Date received:** 24/05/2024 via Web

**Summary:**

Site 036c

This site is valuable agricultural land which supplies local businesses thus negating the need for excessive journeys, surely this must be better for the environment and climate change which we are all told we should be aware of?

**Full text:**

Site 036c

This site is valuable agricultural land which supplies local businesses thus negating the need for excessive journeys, surely this must be better for the environment and climate change which we are all told we should be aware of?

**Change suggested by respondent:**

Site 036c

Remain as agricultural land.

**Legally compliant:** No
