Alison Webb

My objection to proposal ref 036c is on safety grounds.

I live on the [REDACTED] parallel to [REDACTED]. A lot of traffic uses Teddesley road which is a little wider than Acton Hill Road to access/return from M6 junction 13. The speed by many vehicles has caused many serious accidents including the necessity for air ambulance recovery. This housing proposal would increase the amount of traffic using the Teddesley Road and increasing the risk of serious accidents.
