5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

My reasons are :

The plan is unsound

Policy HC15 assumes that school places are available in SBC near to site 036c

The local schools are full , children will have to bussed elsewhere

Duty to Co-operate

Again this highlights the complete lack of effective joint working on cross boundary matters with SBC , as evidenced by the lack of a statement of common ground on this policy

I ask the Inspector to address this particular matter

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Delete in its entirety the planned development at site 036c for the reasons above
