The Duty to Cooperate Paper 2022 identifies the areas of agreement between the two authorities. Whilst agreement has not been reached on some strategic matters the Duty to Cooperate Paper demonstrates how the authorities have engaged

constructively, actively and on an ongoing basis in the preparation of their respective Local Plans, the preparation of evidence to underpin those documents and the delivery and implementation of currently adopted Local plans.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.
