20 December 2022

Dear Sir,

South Staffordshire District Plan

I am writing on behalf of West Midlands CPRE to object to proposals in the South Staffordshire Publication Plan. WM CPRE represents CPRE (the national charity) in relation to strategic matters in the West Midlands Region. Additional objections from the Staffordshire branch of CPRE will address their related concerns. These are separate organisations making separate objections, but we have worked together to coordinate our responses.

This is a covering letter for two formal objections:

- CPRE WM Housing, exhibiting
 - South Staffordshire CPRE final, exhibiting
 - Black Country Plan brownfield study
 - Black Country Urban Capacity update (appendix to previous item)
 - Birmingham Plan issues and options housing 2022
- CPRE WM economic land, exhibiting the same reports.

Yours Faithfully,

P.W. King

Vice-Chairman,
CPRE West Midlands
