We support this policy.

There are no developments proposed at the border with Dudley MBC, with the closest allocations located at Wombourne and Swindon. As a result, there have been no implications identified in respect of cross-boundary transport or other infrastructure matters to date. The draft Statement of Common Ground between South Staffordshire District Council and Dudley Metropolitan Borough Council, which forms part of the evidence base to the Publication Local Plan, notes that this position will be kept under review and joint working under the Duty to Cooperate will continue.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why

each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

(Continue on a separate sheet /expand box if necessary)

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

***Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s).
