Sport England objects to allocation of site Land between A449 Stafford Rd & School Lane reference 082, due to the site proforma stating that access to the site will be secured via the playing fields off School.

The playing field site which is identified for protection within the Council's Playing Pitch Strategy as such provision should therefore be made for replacement playing field land within the policy to ensure there is no loss of playing field land and pitches.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The site proforma should clearly state that there should be no loss of playing field land and that if there is then replacement provision should be made in line with NPPF paragraph 99.
